Wesley Acevedo is a full time realtor with over 5 years of extensive knowledge of the mortgage lending and property management industries, who believes in treating her clients as if they were family. She was born in San Juan, Puerto Rico but has lived in South Florida since 1994. She has many years of accounting experience and helps in the financial management of all properties.

Working together and with other staff members, this professional team handles the day to day, hands-on management and leasing of a portfolio of more than 90 units. They provide property management services at below market rates and personal services not obtainable from larger companies. This team's goal is to treat every client's property as if it were our own.
